Sweta Kumari Jt.Secretary of BITSAA (BIT Sindri Alumni Association) Mother chapter presented overview of activity undertaken by other Chapters .The house was addressed by Chief Guest Dr.S.K. Singh, Director, BIT Sindri.The gathering joined in Condolence of Dr Shyam Kumar-E54,PadmaShree P.S.Sharan-E56 & Shri Anil Kumar-E74.Daughters of PadmaShree P.S.Sharan made an Announcement of P.S. Sharan Meritorius Student Annual Award of Rs. 10,000 to be given annually in memory of their father. After the Lunch break there was an Open House Discussion which also included a Q & A Session on **Face Uplift & Brand Positioning of BIT, Sindri**.The Speakers included **Dr. B.B. Sahay Director MDI, Gurgaon** Mr Partha Sarthi, GM(HR), BHEL Mr KK Verma Mr Mehra & others.Unanimous nomination of new bodypassing Resolution and Book of Account.The views expressed by eminent speakers are being summed up in nutshell to enlighten our other fellow alumni

Dr. B.B. Sahay Director MDI, Gurgaon

BIT has acute Shortage of faculty members.It needs to be urgently met.

Stress should be laid on Education extension programmes:- BIT should Explore the possibilities to connect BIT & Alumni Introduction of Part time PHD is one such scope. There shall be no bar for supervisors in such PHEDs,any one who has established research credentials can be one such supervisor.

Starting Executive fellow programme. Inviting Corporate Gurus Industries achievers as visiting Professors can be one such step.

Infrastructure development is an issue which requires immediate attention

E library is a must--Journals are Lacking in our library.The ALUMNI should come forward in enhancing dependency on e-books&e library.Provisions for support to be provided by BIT Administration.

Influence organizations to support the vision of BIT.Introduction of conferences on regular basis is one such step. Come out with perspective plans for national & international seminars.

Start incubation centre at BIT Sindri.

Attract graduates for faculty.

BIT should increase the fees. Since Banks are providing loans without any collaterals,the students won't be effected a lot.

Website updating should be done regularly ,online informations should be easily available to all.

Academic Advisory Board should be instantly set up with top industry professionals in it.

Diamond Jubilee Celebrations :- The list of Invitees for the Diamond Jubilee celebration should include Jharkhands Governor,CM,Education Minister & Secretary,Personnels from S&T Department & others.

Dr. B B Sahay announced **one scholarship of 10,000 Rupees for Production engineering student**(criteria unannounced) Commitment & passion should be amalgamated. Take pride in being BIT ians.One excellent suggestion **while Emailing just include your batch and Institutes name in your signature.It will help more & more people know about Our BIT**

Sri Partha Sarthy – GM (HR) BHEL

Image Building or Brand equity

Visibility should be clear.Count our achievements to increase credibility & competence,thereby increasing visibility

Collaboration between BITians & Non BITians is needed.

Increase communication ability especially English which is more frequently needed for technical competence in any industry.

Mentoring is needed.Even if reverse mentoring is needed one should not hesitate.(Reverse mentoring :the older generation being mentored by new generation).Since times have changed & daily new researches in industry are coming up Go for summer training for faculty if needed.

Inculcate zeal to excel

Sri K K Verma-

Emphasis on face lifting,Innovation & Branding.

Make BIT a Brand

Sri Mehra- invite BIT Alumni to participate in seminars held there.

Sri S.N. Jha- IOCL

Strengthen. the faculty

Increase the Facilities .Both of these are needed for image building.

Industry exposure – IOCL extends its helping hand in giving exposure to students during shutdown days in refinery operations so that students get proper training.

Sri Somnath Dutta – Associated with the World Bank stressed the need to include non touched areas in the curriculum.

Sri RN Pd- Doordashar Engineer in chief also addressed & had similar feelings.

Balkrishna Burnwal 1978 batch - Tech Mehindra :BIT should come forward to go for high level industrial training for its students in partnership with IBM,ORACLE etc.for summer trainings.

Saurabh Kr. 1986 Production also addressed the gathering.

There were many who participated in the Q&A session.A Passion to dedicate one's self for the upliftment & enrichment of BIT was eminent in their thoughts.The meet ended with a vote of thanks from by Sri SS Garuyar.Sri YK Bhagat,Sri B S Sahay were the persons involved backstage to make the event a grand success.

Photographs will follow shortly.
