

**Vinoba Bhave University, Hazaribagh**  
**TRANSITORY REGULATIONS**

For

Conversion of Annual System of B.Sc. Engg. of Vinoba Bhave University into  
Equivalent Semester System of B.Tech

---

1. The regulations herein specified apply to undergraduate programmes offered by B.I.T. Sindri and R.G.I.T, Koderma hereafter referred to as the institutes.
2. In order to qualify for a B.Tech degree, a student must earn a minimum of 252 credits.
3. A subject having a maximum of 100 marks in B.S.c. Engg. in annual system will be equivalent to 4 credits of course work of B.Tech programme.
4. The students who have passed the third year exam. of B.Sc. Engg. of V.B.U., Hazaribagh & enter the 7<sup>th</sup> & 8<sup>th</sup> semester of B.Tech academic session, will have to undertake 40 credits of course work in each semester. They will have to undergo for vocational training of at least 7 weeks duration during the vacation between 7<sup>th</sup> & 8<sup>th</sup> semester or even at sometimes after completion of 8<sup>th</sup> semester. The vocational training will be of 28 credits. The place of vocational training shall be decided by the respective Departments. After the completion of their vocational training, the students will be required to submit a report for the training and present it before the departmental committee which will assess and award grades.
5. The students who pass the 2<sup>nd</sup> year examination of B.Sc. Engg. of V.B.U. Hazaribagh & enter the 5<sup>th</sup> & 6<sup>th</sup> semester of B.Tech academic session, will have to undertake 34 credits of course work in each semester. They will have to undergo for vocational training of at least 3 weeks duration during the vacation between 5<sup>th</sup> & 6<sup>th</sup> semester. The vocational training will be of 12 credits. The place of vocational training shall be decided by the respective departments. After the completion of their vocational training the students will be required to submit a report and present it before the departmental committee which will assess & award grades.
6. These students who enter 7<sup>th</sup> & 8<sup>th</sup> semester during next subsequent academic session of B.Tech will have to undertake 34 credits of course work in each semester. They will have to undergo for vocational training of at least 2 weeks duration during the vacation between 7<sup>th</sup> & 8<sup>th</sup> semester. The vocational training will be of 8 credits. The place of vocational training shall be decided by the respective departments. After the completion of their vocational training the students will be required to submit a report and present it before the departmental committee which will assess & award grades.

7. The students who pass the 1<sup>st</sup> year exam of B.Sc. Engg. of V.B.U. Hazaribagh and enter the 3<sup>rd</sup> & 4<sup>th</sup> semester of B.Tech academic session will have to undertake 34 credits of course work in each semester.
8. Those students who enter 5<sup>th</sup> & 6<sup>th</sup> semester during next subsequent academic session will have to undertake 30 credits of course work in each semester. They would also require to undergo a vocational training of 3 weeks duration during the vacation between 5<sup>th</sup> & 6<sup>th</sup> semester. The vocational training will be of 12 credits. The place of vocational training shall be decided by the respective departments. After the completion of their vocational training the students will be required to submit a report and present it before the departmental committee which will assess & award grades.
9. Those students who enter 7<sup>th</sup> & 8<sup>th</sup> semester of B.Tech after next subsequent academic session will have to undertake 30 credits of course work in each semester. Also they would require to undergo for vocational training of approximately 2 weeks duration during the vacation between 7<sup>th</sup> & 8<sup>th</sup> semester. The vocational training will be of 6 credits. The place of vocational training shall be decided by the respective departments. After the completion of their vocational training the students will be required to submit a report and present it before the departmental committee which will assess & award grades.
10. Notwithstanding anything contrary to the existing regulation of V.B.U. Hazaribagh for B.Sc. Engg., V.B.U. Hazaribagh will have the power to decide the cases of any ambiguity, arbitration and controversy and will be fully empowered to convert the marks awarded by it into equivalent semester grade system. The final result of B.Tech course will be decided on the basis of equivalent grade as per the regular regulation for awarding degree to the students who might have completed their full degree course of 8 semester under V.B.U. Hazaribagh and the degree awarded under this transitory regulation will be considered completely equivalent to B.Tech degree awarded under normal regular regulation for semester system.
11. in case some students enter in the semester system after completing one/two/or three years in annual system under V.B.U. Hazaribagh with carry over in one/two/or three subjects, they will have to clear these carry over subjects under V.B.U. Hazaribagh itself. The students will be given two chances and even after availing these two chances if they fail to pass the subjects, they will have to take some equivalent subjects of regular semester system. The equivalent subject will be decided by the committee of the concerned department.
12. Those students who fail in their exam. of 1<sup>st</sup> or 2<sup>nd</sup> or 3<sup>rd</sup> year exam. of V.B.U. Hazaribagh before implementation of semester system will not be given another chance to appear as non-collegiate student in the exam of the year in which they have failed, rather they shall have to join the semester system in the respective semester as collegiate students corresponding to their respective year. This

implies that the students who failed in 1<sup>st</sup> year will join the 1<sup>st</sup> semester, the students who failed in 2<sup>nd</sup> year will join the 3<sup>rd</sup> semester and the students who fail in 3<sup>rd</sup> year will join the 5<sup>th</sup> semester.

13. Those students who join the semester system in 2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup> year in 3<sup>rd</sup> /5<sup>th</sup>/7<sup>th</sup> semester respectively will be governed by the regular regulations. In case they get grades D or less and the facility of carry over which they might have availed in past will not be available to them in the semester system.
