About the Speaker

Dr. M.P Singh is highly scholar person. Currently, he is holding the post of Associate Professor at CSE Department, NIT Patna. He did his PhD from MNIT Allahabad. He has published many papers in national and international journals of repute. He has guided nine PhD scholars. He is the professional members of many organizations, few of them are IEEE, ACM etc. His research interests are Data Networks, Wireless Sensor Networks, Machine learning, security.

About the Institute

BIT Sindri was established in 1949. The institute is located at a distance of 28 kms from Dhanbad railway station, linked by rail as well as road. It has a sprawling campus of about 400 acres of land and it is fully residential college and well-furnished quarters are available for all teaching and non-teaching staffs within the Campus.

Today, it offers M. Tech courses in 5 disciplines of engineering namely Mechanical, Electrical, Metallurgy, Chemical, & Civil and B. Tech courses in 10 disciplines of engineering namely Mechanical, Electrical, Metallurgy, Production, Chemical, Electronics & Communications, Civil, Mining, Computer Science, and Information technology. The Institute possesses world class amenities which include multimedia auditoriums, seminar rooms, a state of-the art well-stocked rich E-library and well-equipped laboratories.

The institute is administratively controlled by the Department of Higher, Technical Education & Skill Development, Govt. of Jharkhand, Ranchi and academically it is affiliated to Jharkhand University of Technology (JUT), Ranchi for conducting examinations and awarding degrees. All courses are approved by All India Council of Technical Education (AICTE), New Delhi.
