

B.I.T. SINDRI

DEPARTMENT OF HIGHER AND TECHNICAL EDUCATION
GOVERNMENT OF JHARKHAND

P.O. : Sindri Institute, Dhanbad-828123 (Jharkhand)

Phone - 0326-2350495 **Fax -** 0326-2350729, 2245682

CAREER DEVELOPMENT CENTRE

The State Government of Jharkhand has always provided BIT Sindri the necessary support to enhance and refine the standard of education. This report states the use of the monetary support in infrastructural development, in enhancing training and placement opportunities and raising the quality of education overall.

Establishment of Career Development Centre

The Career Development Centre in our institute is a resource center of information, guidance and counselling. CDC aims to groom students overall and make them placement ready. It provides substantial guidance for all the opportunities ahead of them. The CDC conducts many activities.

It can be broadly categorized into four major sections

CAREER INFORMATION

- Information on professional development courses, higher studies available In India and abroad.
- Knowing and sharpening students interest field and planning for a satisfying future.

CAREER ASSESSMENT

Interpretation of career and psychometric assessments tools such as DAT, Strong Interest Inventory etc.

CAREER GUIDANCE AND COUNSELLING

- Career Counseling
- Group Counseling
- Personal Counseling
- Drop-In Advising.

CAREER SKILL TRAINING

Mock GDs, mock interviews, resume preparation, webinars on profile buildings, conducting training programs on behavioural skills and personality developments etc.

PLACEMENT REPORT

The high placements this year added a feather to the institution's cap as it was achieved during the pandemic.

BIT SINDRI placement process for batch of 2018-2022 B.Tech. Batch recorded average salary offer of Rs 6.5 lakh per annum. The top 10 percent of the class bagged lucrative offers with salary package of Rs 9.4 lakh per annum. The average package of top quartile stood at Rs 7.2 lakh per annum while the median salary was Rs 5 lakh per annum. The highest salary offer stood at Rs 44 lakh per annum which was made in IT sector by Amazon.

The BIT SINDRI placement process 2022 witnessed participation from 65 renowned companies from various sectors that made 800+ offers.

Companies such as Amazon, Google, D. E. Shaw & Co., Deloitte, Wipro, TATA Steels Ltd, Vedanta, JSW Steel Limited, TATA Power Ltd, Aditya Birla Group, TATA Technologies and L&T made maximum offers in placement drive 2022. This year 12 students of our institute also got selected in the MITACS research fellowships and students got internship opportunity in companies such as Microsoft, TATA Steel, ISWPL, TSLP, Samsung, Schlumberger and many more.

We are glad to inform that BIT Sindri has achieved record placement for the session 2021-2022. This year placement session witnessed an exponential rise in the placement offers and internships to the students which itself is a testimony to our growing belief in the corporate world.

The high placements this year added a feather to the institution's cap as it was achieved during the pandemic.

This year 12 students of our institute also got selected in the MITACS research fellowships and students got internship opportunity in companies such as Microsoft, TATA Steel, ISWPL, TSLP, Samsung, Schlumberger and many more.

Company Vise Placement 2018-2022

Placement Growth over Years

- This year students got a total of 805 Placement offer, highest ever in BIT Sindri.
- 380 more placement offers than the previous year which is much more than normal yearly growth in placement

Placement Growth over Years

Internship

On an average more than 70% students have shown a keen interest in the internships which indicates their inclination to obtain a practical experience of the subject in the real time industry setting. We have some of the reputed companies and universities for the year's interns such as:

Google

Amazon

Microsoft

TATA Steel

The Indian Steel & Wire Processing Limited

Schlumberger

TATA Steel Processing & Distribution Limited

TATA Motors

CIMFR

DRDO

BARC

Adecity

EduFeat Private Limited

WrytIn

Icy Tales

ERIDE

Pocktrip

Think Act Rise Foundation

Wilco Source

Vedantu

MITACS Global Research Internship

IOCL

Summer Internship is an integral part of B.I.T. Sindri, Dhanbad. This educational innovation seeks to link industry experience with collegiate instruction. Internship program is of two-month duration for the second and third year student and 6 months for the final year students.

MITACS GLOBALINK RESEARCH INTERNSHIP

The Training & Placement Cell of the College has proudly announce the selection of 19 students for Mitacs Globalink Research Internship

1.Name : Payal Priya

Branch : Electrical Engineering

Host University: University of Waterloo

2.Name- Ritesh Kumar

Branch - Mechanical Engineering

Host University- University of Waterloo – Waterloo

3.*Name:* Sulagna Mahata

Branch: Electrical Engineering

Host University: McMaster University – Hamilton

4.Name - Iysha Kumari

Branch - chemical engineering

Host University - Cape Breton University

5.Name - Mugdha Singh

Branch - Chemical Engineering

Host university - Western University

6.Name : Sakshi Gupta

Branch : Chemical Engineering

Host University: University of Saskatchewan.

7.Name : Vineet Kumar Das

Branch : Electrical Engineering

Host University: University of Saskatchewan – Saskatoon

8.Name- Harshita Singh

Branch- Electrical Engineering

Host University: Université du Québec à Chicoutimi – Chicoutimi

9.Name- Laxmi Sharma

Branch - Chemical Engineering

Host University- Royal Military College of Canada – Kingston

10.Name - Sagar Mishra

Branch - Production & Industrial Engineering

Host University: Université de Sherbrooke - Sherbrooke, Quebec

11.*Name:* Shubhangi Anand

Branch: Electrical Engineering

Host University: University of Victoria – Victoria

12.Name : Akanksha

Branch : Production & Industrial Engineering

Host University : University of Windsor – Windsor

13. Name: Abhinav Kumar Singh

Branch: Metallurgical Engineering

Host University: York University, Toronto Host province: Ontario.

14. Name: Rohit Kumar Mishra

Branch: Metallurgical Engineering

Host University: Ryerson University, Toronto Host province: Ontario

15. Name : *Amar Kumar Gupta*

Branch: Mining Engineering

Host University : Lakehead University - Thunder Bay

16.Name : *Rishabh Singh*

Branch: Mining Engineering

Host University: University of Alberta – Edmonton

17. Name : Ashutosh Sinha

Branch: Civil Engineering

Host University: Lakehead University Thunderbay

18. Name : Harsha Sinha

Branch: Chemical Engineering

Host University: McMaster University

19. Name: Sonu Kumar Gupta

Branch: Mining Engineering

Host University: University of Regina

The Mitacs Globalink Research Internship is a competitive initiative for international undergraduates from the following countries and regions: Australia, Brazil, China, France, Germany, Hong Kong SAR, India, Mexico, Tunisia, United Kingdom, and Ukraine. From May to October of each year, top-ranked applicants participate in a 12-week research internship under the supervision of Canadian university faculty members in a variety of academic disciplines, from science, engineering and mathematics to the humanities and social sciences.

A big achievement is a perfect chance to remind someone how talented, hard-working, and deserving they are.

Training

Industrial Training and Field tours are an integral part of the curriculum. These provide the students with an opportunity to get acquainted with the real world and know the proceedings from a better and close angle. Our students are also encouraged to attend seminars, workshops and conferences held in the college, at national levels as well as international levels. This brings up the wholesome development of the students with the experience from some of the best legal professionals around the globe. Our students have been trained by the following prestigious corporations and trainers:

Tata Steel

Tata Power

CIMFR

Bharat Coking Coal Limited (BCCL)

Heavy Engineering Corporation (HEC)

BSNL

NASSCOM Nac-Tech

Indian Railway Locomotives

NHAI

DVC Maithon

BOLT IOT

VERZEO

Internshala Trainings

Bharat Coking Coal Limited

Webinars & Seminars Conducted

The State of the Art Facilities is an on-campus counselling facility at the BIT SINDRI. The Carrier Development Centre is committed to providing the Institute's students, faculty and staff members with a space for self-exploration and addressing of psychological concerns, leading to personal, social and professional growth. Our aim is to create a campus environment that celebrates happiness, wellbeing, and diversity. CDC offers community members an inclusive space for sharing, learning, living together and growing.

CDC along with other facilities offers short term individual counselling, extended psychotherapeutic support plans, and group sessions. A range of psychometric tools are used for assessment and self-exploration. Referrals for medical and psychiatric consultations are available on request.
