Subject: Conducting Internship Programs in Emerging Technologies for Students of Polytechnics / Engineering Colleges Affiliated with Jharkhand University of Technology Ranchi.
Sir,

National Institute of Electronics & Information Technology (NIELIT), RANCHI center is an Institute under Ministry of Electronics and Information Technology, Government of India.

As we all know information Technology aspirants/students face great challenge of keeping them abreast with the current trends in the industry. Continual updating and training in latest area as per the requirement of current trends in the Industry is the only solution by virtue of which one can overcome this challenge. In this context it is submitted that our center is playing a major role in the field of IT education and training by providing following programs that are attached as annexure-1 for your kind reference.

We have assigned these programs with utmost care keeping in mind the current requirement of IT industry. We hope that these programs will be very helpful for the students and will help them to hone their skill and ultimately achieve the technical expertise that they always dreamt of getting before the joining.

It is requested that students may please be intimated about these programs by displaying list of programs attached with this letter to the Notice Boards & website of Polytechnics / Engineering Colleges Affiliated with Jharkhand University of Technology Ranchi. With profound sense of gratitude I further seek your co-operation in this regard and request you to kindly recommend your students to undergo from the Institute.

Thanking you,
