Sir/Madam,

With reference to the above-mentioned letters received from the Ministry of Education, Government of India, and the Department of Higher & Technical Education, Government of Jharkhand, this is to inform all affiliated colleges that the window for updating student academic records (Grade Sheets) for Examination Years 2021–2024 on the NAD–ABC Portal is open until 30.11.2025.

Further, it is instructed that **Creation of APAAR ID (ABC-ID)** for all eligible students and ** uploading/updating of student academic records** must be completed within the stipulated timeline communicated by the Ministry.

Important Instructions for Affiliated Colleges

1. All affiliated colleges must ensure that APAAR ID (ABC-ID) creation and updation for all registered students of batches 2021, 2022, 2023, and 2024 is completed compulsorily by 17.11.2025, by filling the form available at the link given below.

2. Colleges must instruct and guide all students to fill their correct personal and academic details on the NAD–ABC Portal. Any discrepancy found during University verification will be the responsibility of the concerned institution.

3. Institutes are required to monitor the progress of APAAR/ABC-ID creation and ensure that no student is left out.

4. After student submission, college-wise data will be made available to the concerned institute for verification, so that any incorrect information filled by students can be rectified and updated accordingly.

Your cooperation is requested to ensure timely completion of this activity in compliance with the directives of the Ministry of Education and the State Government.

This matter may kindly be treated as most urgent.
