Ref No. BIT/2/1/Hum (Pt-V)

03 Aug 26

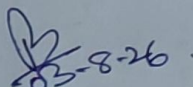

NOTICE

In view of the ever increasing cut-throat competition in the industry/ job market and the growing demand of quality technocrats with good command and fluency in soft skills/ communication skills, the Institute has decided to take every possible measure and make all out effort to train our engineering students with best possible communication skills so that they are better equipped to take on the job interviews/ job world with utmost ease, composure and confidence.

Considering the above need of the hour vis-à-vis special focus/ attention needed for our engineering students who lack good communication skills because of varied reasons, viz; hailing from rural belts, schooling from vernacular medium schools, the Humanities Deptt has now taken special initiative to arrange special classes/ remedial classes/ soft skill classes/ communication skills' classes on regular basis wherein the faculty members of the department shall endeavour to focus on evaluating and developing the basics of English Language of all the needy students so that they are made more sound, comfortable in understanding the language both grammatically and syntactically and develop the desired command in the language.

Additionally, the department's faculty members after due evaluation of the students shall also be taking the needy students to its Digital Language Lab wherein special training with regard to their way of articulation, accent, pitch, rhythm, pitch, pause, intonation skills of the students will be garnished/ honed up using technology driven Language Lab Software.

Hence, all the students of 1st, 2nd, 3rd and 4th Year B.Tech course are requested to reach out to the faculty members of Humanities Department unhesitantly at the mobile numbers **9352888604/ 8160705082/ 9474549536** or by physically visiting the Humanities Deptt anytime during the working hours and get their slots booked for special/ remedial classes ASAP as per their convenience, especially the 3rd Year students who are likely to sit for Campus Placement drives in the forthcoming months. For this, a purpose specific **Google Form** shall also be generated and sent to all the students. Please fill the form and help us make necessary arrangements accordingly. Last but not the least, the students are hereby reminded that they are in the formative years of their life and hence urged to avail all the avenues of opportunities available in the campus for best grooming of their personalities so that when they step out of the campus after passing out, they are complete, competent and confident engineers/ professionals.

(Dr. BD Yadav)
Head, Humanities Deptt
